Candidate Name: Fname Lname

Current Test Date	Score	Anatomy and Physiology	Biology*	Chemistry**	Composite***
August 15, 2023	SS	414	402	410	412
	PR	53	55	55	62

Previous Test Dates	Score	Anatomy and Physiology	Biology*	Chemistry**	Composite***
May 8, 2023	SS	402	406	402	408
	PR	46	54	44	52
January 25, 2023	SS	399	410	404	412
	PR	53	57	47	62
October 4, 2022	SS	400	403	400	406
	PR	44	54	42	48

Scaled Scores (SS) range from 200 to 800 and are the total number of items answered correctly converted into a standardized scale to account for test form difficulty, allowing for more accurate and reliable comparisons.

Percentile Ranks (PR) indicate the percentage of test takers who earned a scaled score lower than a given score. The percentile ranks are updated to reflect all candidate results through the end of the month of the most recent exam.

Note: This report provides your official score, but it cannot be used as a substitute for the Official Transcript. For more information, refer to www.pa-cat.com

* Includes General Biology, Microbiology, and Genetics
